STATESVILLE, NC 28677

The Mount Carmel Next Level Summer Enrichment program is designed to support students in grades K-5 become proficient in the areas of Reading and Math. The program will focus its efforts on helping students who are almost on grade level who need an extra boost to become an independent learner using the skills developed in this summer program. The program will focus on academics and social/emotional skills, as well as provide opportunities to expose children to activities and opportunities to develop an appreciation for Fine Arts events.
